MAY ASSESSMENTS

In the month of May children will be completing their assessments in class so good attendance and punctuality is vital so that they do not miss an important test.

KEY STAGE 2 SHOW

Congratulations to our Key Stage 2 children on a very successful show. We are so proud of all of their achievements.

FIRST HOLY COMMUNION

First Holy Communion went well on Saturday and we would like to thank everyone in school who worked so hard to make it a success. The children were very well behaved and are a credit to you their parents and guardians.

SCHOOL IMPROVEMENT

We are working closely with the Education Authority School Maintenance Service and a business case is now in place to ensure much needed work is carried out in the summer. This includes upgrading of single glazed windows to double glazed. Dry lining to inside of external walls on staircases and assembly hall walls.

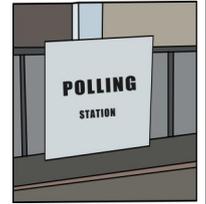

The toilet refurbishment and sensory room projects are still at the design stage and all being well this work will commence in 2019/20.

I just want to reassure you that the Board of Governors and myself, as Principal are doing all that we can to ensure that this work is carried out.

We have been notified by the electoral office that the school will be used as a Polling Station this year. The school will be closed on the 23rd May to facilitate this.

GAA success at Pairc Colmcille

What a great achievement for our P6/7 Gaelic team who brought silverware back to school from Pairc Colmcille. The school has been working closely with our local team, Doire Colmcille, for the past number of years. If any parent is interested they can contact Matthew Maguire on the following number 07936567236. We would like to encourage all girls and boys to get involved.

Sponsored Walk

Our PTFA have organised a sponsored walk fundraiser on Friday, 24th May. We hope to raise money to improve our school Assembly Hall and our main aim is to buy blinds. Our children will walk in Brooke Park and will also complete circuits on their way around the park. It will be a fun-filled morning for the children and one we hope will raise much needed funds for our school. We are asking each family to complete a sponsor form and every amount will be a huge help to us, no matter how big or small. As always we thank you for your continued support.

Key Stage 2 Sports

This year we are piloting an alternative sports for KS2 on the afternoon of our sponsored walk. Please note parents will not attend this year. It will involve obstacles and team games instead of the usual races which can cause some stress for some of our pupils.

Canteen money

Canteen money must be paid up to date. If canteen money is forgotten the canteen will only provide soup and a sandwich on that day. The money must be paid in full the following day. This is Board policy. You can pay in the canteen on a Monday for the week or you can call in to the canteen each morning and pay for the dinner.

After School Clubs

Reminder: Can you please ensure all club forms are returned on a Thursday to class teacher and not to the office.

Eco-Friendly Newsletter

All newsletters will continue to be posted on the school website www.modelps.co.uk and Our School App. Available on the Play Store. **BT48 7HJ** postcode needed to download the app.
